Kindly figure out the exhibition games between Grays and Newark, which I think are June 5,6, July 31st, Aug. 3,4,5,6, and 8th. Let me know about the 10 per cent for these games as I wish to turn in $\frac{1}{4}$ of this to League Treasury, so Gottlieb and Lenschner will do the same.

I told See to turn Lundy's fine over to you. If he has not done so, let me know. I hear Turner has been named a League umpire on Salary of One-thirty a month. That can not be done without a League vote, as all it does is give some clubs a chance to pay two League umpires at one game and take it out of their monthly assessment while other clubs only get the chance to pay one.

As I remember, M. Harris, W. Harris, Forbes, Turner, Crump, and Cockrell were named umpires as alternatives as \$5 per single game, \$7.50, double-header.

We have a League meeting in Phila. on August 26th at 11 A.M.. Have each club furnish you with itemized statement of payments to umpires, so we can check same with League schedule.

Tom Wilson requested me to write you not to use Evans in League games.

Yours

Cum Posey
